## ABOUT CIRTL

CIRTL seeks to enhance excellence in STEM undergraduate education by aiding STEM graduate students with their teaching. The goal of CIRTL is to improve the STEM learning of all students at every college and university, and thereby to increase the diversity in STEM fields and the STEM literacy of the nation. The CIRTL Network is comprised of 41 research institutions across the United States and Canada. UT is a member institution of CIRTL.

---

## HOW TO SIGN UP FOR CIRTL OPPORTUNITIES

Visit [www.cirtl.net](http://www.cirtl.net) and click the sign-up button in the upper right corner of your screen.

Follow the onscreen instructions to create your account with the online CIRTL Network to participate in classes, events and workshops.

Once your account is created, you are good to go!  
Visit <https://tinyurl.com/cirtl2018> for the Spring 2018 opportunities!
