

Second Deadline Graduation Application

When to Use this Form

This form is to be used by graduate student candidates who were unable to meet the deadline dates for the current semester. If accepted, this form will allow the candidate to graduate in the following semester without being required to register for thesis or dissertation credit (500/600) during that semester.

Be certain to check the deadlines published by the Graduate School (tiny.utk.edu/grad-deadlines) for the current semester. These deadlines include information on dates for the second deadline, including the deadline date for this form, the dissertation defense, and final submission of dissertation.

In order to be eligible for the second deadline, you must have enrolled at least 3 credit hours of 500 or 600 for the current semester. You must have applied to graduate through MyUTK for the semester in which you will graduate, if approved. You must also be certain that by graduating next semester, you will not be beyond the official time limits for your degree (see the Graduate Catalog for specific time limits). Also, you must have been admitted to candidacy for the current semester by the deadline date for that semester. Finally, you must have defended your thesis or dissertation by the second deadline date (see tiny.utk.edu/grad-deadlines).

Instructions

1. Fill out all fields on the form, being certain to check all boxes acknowledging that you have met the requirements for a second deadline application.
2. Electronically sign where indicated and submit the form for approval by the Graduate School.

To meet the second deadline, I realize the following must be true:

I have enrolled in at least 3 credit hours of 500 or 600 for the current semester.

I have applied to graduate for the semester in which I will graduate.

I have ensured that I am within the time limits for my degree, as I will officially graduate **next semester**.

I have been admitted to candidacy by the first deadline (see tiny.utk.edu/grad-deadlines).

By signing this form, I indicate my understanding of the following:

I understand that if I fulfill these requirements by the given deadlines, I will be a candidate for second deadline. I understand that this means I will officially graduate **next semester**, but I will not have to register for at least 3 thesis/dissertation (500 or 600) hours during that semester. If I am an international student I have contacted the Center for International Education to discuss what this will mean for my visa.
